The Caisse populaire Dieppe Vélodrome will soon celebrate its 10th anniversary, and to be ready for the celebrations, would like to get a new surface. The objective is to completely resurface the 250 m x 7 m track, a surface that includes no less than 830 plywood sheets!

With a new surface, the velodrome would be able to relive the emotions of hosting a National Championships like it was the case in 2006 and 2007 as well as to help develop young cyclists to follow the footsteps of Christian Meier, of the Pro-Tour Garmin-Transition team, who started his cycling career on this facility.

Here is a perfect occasion to make a difference for your sport. By sponsoring a plywood sheet at the cost of 50\$, you will have to occasion to leave your mark on this unique facility in Atlantic Canada.

In exchange for your donation, you will be able to write down your name, the one of your company, or someone you really appreciate on the bottom of a plywood sheet of the Caisse populaire Dieppe Vélodrome.

To show your support, contact the National Cycling Centre - Atlantic Canada at 506-877-7809.
